The Case Book of Emily Lawrence is a novel made up of a series of short stories, beginning in 1859, when the protagonist is 7 years old, following her through young adulthood, into maturity, and ending in 1895. Emily makes an unusual (in fact, unheard of at the time) choice of profession and becomes a detective. Each chapter describes a case in which she is involved. Taken together, they ...

With the feeling of an old fashioned classic along the lines of Enid Blyton but with a far more dark and mischievous streak, like St Trinians, The Book Case - An Emily Lime Mystery is a deliciously engaging story with a great boarding school setting. This funny and cleverly written book is full of memorable quirky characters, and the black & white illustrations compliment the story very well ...
